HOUSING AUTHORITY STUDIES DALY CITY

Preliminary Estimate Shows Community Has 185 Substandard Dwelling Units

Tabulation of data collected by the Housing Authority of the County of San Mateo resulted in a preliminary estimate that there are in Daly City approximately 185 substandard dwelling units occupied by tenant families, Perry A. Bygdnes, chairman of the Housing Authority announced today.

Bygdnes stated that the survey was conducted by the authority, with the cooperation of the city, in order to determine the number of tenant families who are living in substandard dwelling units. All costs of the survey were borne by the Housing Authority at no expense to the city. Local residents, as in the case of other communities where surveys have been conducted, were employed by the authority for the actual enumeration of housing conditions.

The definition of "substandard housing," Bygdnes stated, was interpreted very strictly and was based upon three criteria: 1. the structure being unfit for human habitation; 2. needing extensive major structural repairs, or 3. possessing no sanitary facilities.

Sixty per cent of the tenant families covered in the survey were reportedly receiving annual incomes of less than $1600. Seventy-five per cent of these families were receiving average annual incomes of approximately $1,000, and were paying out about 35 per cent of their income for rental of substandard units.

Over five per cent of the families included in the survey were reported to be receiving some form of public assistance. Approximately 36 per cent of this group's average annual income of less than $800 was expended for the rental of definitely substandard dwelling units, representing in most instances from one-third to one-half of the families total income.

Similarly, many other families, not receiving public assistance, indicated it was necessary for them to spend from 30 to 50 per cent of their income for substandard living accommodations.

In San Mateo, where a similar survey was conducted, a $153,000 loan from the federal government has been requested to build some thirty new homes to replace an equal number of unsafe, insanitary, substandard units. This work is being carried on through the cooperation of the City of San Mateo and the Housing Authority, the Authority providing all funds and meeting all debts, obligations and expenses.

It is anticipated that average rent for these new homes will be about $18.50 per month, including all utilities and service charges. They will be available only to families receiving low annual incomes, who are residents of the county, are American citizens and who are living in definitely substandard dwelling units. A further requirement may be established, should conditions warrant; families in order to reside in the homes must have been a resident of the city for a stipulated period of time immediately prior to their rental of the home.

The authority stated it would be impossible to rehabilitate all the families living in substandard units in Daly City because finances, policy and legal restrictions enable them to provide facilities only for those in the low income group in greatest need of decent, safe, and sanitary housing.

The data collected indicates the authority would be able to construct in Daly City only about 25 to 30 units for rental to the lowest income families.

Pretty Loretta Maffei, secretary to Judge Wade H. Clay, has a new title! She is now deputy clerk for the justice's court of the First township of San Mateo county. Appointed, July 1, by Judge Clay to her new post, she began work with the imposing title, the first of this month.

For the past year and a half she has been clerk of the city court here in Daly City, taking care of traffic fines and city criminal cases. Now, as deputy clerk, she will also be in charge of filing civil actions up to $1,000. She attends all court hearings.

Judge Clay aptly summed up the qualities which have insured Loretta's progress when he said, "Her very efficient, trustworthy and sympathetic nature, and her kind consideration of those who are in trouble, have endeared her to all who come in contact with the office."

Loretta, a graduate of Jefferson Union high school, held previous positions as receptionist and office girl, before coming to work for Judge Clay.

Office life, important though it is, does not tell Loretta's entire story. In private life she is Mrs. Peter Maffei, 70 Cavour street. Her parents are Mr. and Mrs. L. Pinochi, 167 Mateo avenue.

When interviewed about her new position, Loretta expressed her appreciation to both Judge Clay and Clive M. Saiz, high school instructor to whom she attributes much of her success.

Aluminum Contribution Goes To Smelter

Daly City's aluminum contribution was taken to the American Smelting and Refining company, yesterday, for classification and melting. It was taken in the Water department's pick-up truck.

Arthur Bodien, who is familiar with metals, sorted out the non-aluminum utensils that were mistakenly added to the pile. There was some ironware mixed with the much-wanted light metal. Bodien has been in charge of aluminum collection in Daly City.

The metal was weighed in Daly City—totalling approximately 150 pounds—and then weighed again by the weighmaster in San Francisco.

Announce Dates For County Fiesta At Bay Meadows

To be held at Bay Meadows from September 18 to September 21, the eleventh annual San Mateo County Fiesta was eagerly anticipated throughout the county today following the announcement that the full splendor of an $8,000,000 horticultural industry and a highly variegated display of agricultural production was assured.

Fiesta directors pointed optimistically at the number and nature of applications for exhibition space and displays which were pouring in, stating that "our Fiesta will have an even greater diversity of interest and entertainment to augment the floral, agricultural, hobbies, photography and domestic science exhibitions."

Agricultural associations and growers of the northern part of the county have already selected their space and now are carefully preparing their displays. In 1940 the 200 participants in this division required over 6,000 square feet; this year additional interest demands that the area be increased by more than 3,000 square feet.

Fifteen of the county's garden clubs and the garden sections of women's clubs have taken nearly all the space which they can be given, and 250 individual members have asked for space to display projects.

Particularly interesting this year will be the combined efforts of the three professional gardeners' associations, with an aggregate membership of 1,500, in creating a huge panorama of landscape beauty utilizing more than 1,500 square feet. This is to be their first such cooperative effort in the Fiesta's interesting history.

Also especially noteworthy will be the beautiful "Orchid Girl," who is to herald the event to the country, and a unique, multicolored "Floral Stairway to the Stars." Moreover, music by one of America's outstanding orchestras, and a "big-name" show with top ranking entertainment personalities, are planned.

Other divisions planning new and greater participation are photography and the working hobbies. It is estimated that 1,500 pictures

Appoint Quirmbach To Defense Council

National Defense came closer to Daly City last week, with the appointment of Arthur Quirmbach to the San Mateo County Defense council.

Quirmbach was appointed by the city council at the request of Mayor John J. Fahey. He is a chemistry teacher at Jefferson

Quirmbach, Daly City's appointee to the important San Mateo County Defense council.

Union high school, and newly-elected commander of Daly City Post No. 410, American Legion.

Past activities and interests have qualified Quirmbach eminently for the post he has gained. He has long been interested in chemical warfare and defenses against this form of attack, as well as military problems in general. He has familiarized himself with all the available literature on chemical warfare, including all government pamphlets on this subject.

One of the new methods of using gas is to spray it from airplanes and drop it in explosive bombs. This has led to Quirmbach's studying air defense.

Daly City Building Hits Slack Period

Building slackened off in Daly City during July, after a booming period in June, according to Arthur J. Bodien, building inspector.

Permits were issued during July for four five-room homes worth, collectively, $14,000; for two stores in a building at Mission and Moltke, $4,000; and one six-room house worth $6,500. With alteration costs totalling $1,950, permits were issued for building worth $26,450.

Lunch Program Hits Full Stride

In full stride and serving between eighty and ninety children a day, the Jefferson Union high school noon lunch program will continue for the rest of this month. It will stop only when the high school goes into session, September 2.

The high school princepal, James Ferguson, upon inspecting the lunch facilities after returning from his vacation, was "very well pleased" with the way the program was progressing.

In charge is Mrs. Grace Nelson, who said, Monday:

"I would like to thank the mothers of Daly City for their splendid cooperation in seeing that their children take advantage of this lunch program. I am surely ap-

To Hold Public Hearing On District Budget

Public discussion of the budget of the Jefferson elementary school district will be held tomorrow at the Administration building, 344 Santa Barbara avenue at 8 p. m.

The grammar school board of trustees, headed by George R. Augustien, welcomes citizens to the meeting and will explain and discuss with them all points of the budget necessary. Total budget requirement of the grammar school budget for 1941-42 is $96,000.

Hearings on the proposed Jefferson Union high school budget were held Friday at the high school.

Draftees Leave For Army Induction

With Robert Hamlin, volunteer July 1 selectee, as "leader," the five men sent by the local draft board in the fourteenth call took the streetcar to San Francisco, Monday morning. The others were Charles Rader, William Doss, John Guastavino, and Lowell Daniels.

Each time a contingent is sent to San Francisco, one of the group is chosen by the board as "leader" in charge of the rest until they reach the armory, according to Mrs. Effie Ford, who is in charge of the local draft office in the absence of Mrs. Isabelle Flynn.

The five men were part of the 1,472 selectees inducted in California for the fourteenth call. San Francisco sent 182 men; Sacramento, 122 men, and Los Angeles, 249 men.

The next call will be for three Daly City men Wednesday, August 20.

California's registration of men for possible military training under the Selective Service Act totaled 955,371, June 30, according to Brigadier General Joseph O. Donovan, state director of selective service.

Resumption of Dances Hailed By Young Folks

"Hooray! Hooray!"

That, roughly speaking, is what a lot of young folks in Daly City felt like shouting when the Daly City WPA Recreation department resumed the bi-weekly dances at General Pershing school, Friday. The dance was a big success, as usual, with the recreation room dance floor crowded with the younger generation responding more or less accurately to the latest in popular rhythms.

The dancing is always from 7 to 10 p. m. Next dance will be held Friday, August 15. All young people are invited.

"Ladies Night" Voted Big Success

A good time was had by all at the Daly City-Colma Lions club celebration—"Ladies' Night"—at Lake Merced Country club, Wednesday.

Besides dancing and a delicious banquet, there were games, thought up by the entertainment committee, H. H. Smith jr., Joseph Firpo, and Lee Jorgenson.

Of the fifty celebrants attending the party, twenty-five took part in a "Quiz Program," which put the radio programs of a simi-

Boy Campers Will Leave Monday

As summer gets mellower, more and more people escape to the country or the beach, but many have to stick around home. This isn't the case, however, with forty Daly City boys who are leaving for Camp Shadowbrook, Monday.

Off to spend a week at the WPA-directed camp for boys and girls between 9 and 16, the local boys will leave 101 Parkview avenue, the Daly City WPA Recreation office, at 9 a. m., Monday.

Campers are expected to be on time, for the bus provided by the City of Daly City will not wait for late-comers.

To be eligible everyone must have had his physical examination either by his own doctor or at the Colma clinic.

The boys will return the following Sunday at about 11:30 a. m. The camp activities, which are directed by Bruce Boynton, Daly City WPA Recreation director, include a varied program of instruction and recreation. The boys will be divided into groups, each with an adult supervisor. They will go through courses in crafts, handwork, woodmanship, and other outdoor activities.

The camp is sponsored each year by a different city, this time by Santa Cruz.

ALHAMBRA DEFEATS ROMEY

Four-Run Splurge Thrills Spectators

A four-run splurge in the ninth inning by Alhambra Water overcame an early lead built up by Romey's Market and Alhambra came out on top, 4-2, in a baseball game played at Marchbank field, Sunday.

Pagee, hurler for Romey's, held his opponents scoreless for eight innings, only to weaken at the last moment. Showers pitched a good, steady game for the winners, although allowing two hits in the fifth, sixth and eighth innings.

In the ninth Pagee walked one. This was followed by two singles, which filled the bases. Then, with two out, Maihlo, left fielder for Alhambra, cuffed the apple for a home run. That was all for Romey's Market. Maihlo's round-trip was the second achieved in Marchbank park.

Box score of the game is as follows:

Pays Debt

L. B. Evans, a farmer of Alberta, Canada., pays his debts even if they are 15 years old. He sent a check for $90 to the city of Los Angeles for his hospital bill in 1925, at the pest house. The city wrote back that the treatments were free, but Evans refused to take back the money.

Book Wear and Tear

V. J. McHenry, who annually supervises the renewing of the 3,000 library books at the University of California, reports that it is always the first 20 pages of a book that suffer the greatest damage due to the efforts of students to concentrate on them. The middle and the end rarely ever have to be renewed.

D. C. Juniors Pile Up 16 Runs

All you could hear in the first game, Sunday, at Marchbank park was the resounding crack of the bats of the Daly City Juniors driving in runs. They smacked out 14 hits to pile up 16 runs. At the lean end of the score was Wynne's Pharmacy. The latter team scored six runs, and at the end of the seventh was in the lead, 6-5.

The Juniors then went to work to score two runs in the eighth and no less than eight runs in the ninth. This outburst produced the lop-sided score, 16-6.

The game was played under the supervision of the Daly City WPA Recreation department.

Al Erle Predicts "Rattling Good" Game for Sunday

What Al Erle, baseball bookmaker in San Francisco predicts to be a "rattling good" game, will be played on Marchbank field, Sunday, in the second game of the weekly doubleheader at the new diamond.

At 2:30 p. m. the Owl Drugs, frequent visitors at Marchbank park, will play the Longshoremen. Both are double A teams and have excellent records in San Francisco semi-professional competition.

The first game at 11 a. m. will be played between the Daly City Juniors and the Owl Drug Juniors. The local team was the winner in its game at Marchbank park, last week, beating Wynne Pharmacy 16-6. The Owl Drug outfit makes its fourth appearance at the local diamond and has yet to be beaten here. Sunday, July 27, they defeated Federal Outfitting 9-7.

Beauties of Grace, Rhythm Blend With Showmanship In 1941 Ice Follies

The beauties of grace and rhythm, blended with skill and masterful showmanship, are being unfolded nightly by the Ice Follies of 1941, at Winterland in San Francisco.

Different from a stage production because the entire ice rink is the stage and different completely from last year's sensational show, the new Ice Follies has attracted capacity audiences since its San Francisco opening this year.

The dazzling ice revue first appeared in the Bay area two years ago, when 400,000 persons saw it during a period of seventeen weeks, an all-time box-office record. A similar number of people saw it last year. Just returned from a triumphant tour of the East, the new Ice Follies records show more than 1,500,000 attendance in the past year.

Most elaborate production feature is the "Moonlight Vision," which introduces the 1941 edition of the ice extravaganza.

Costumed in semi-transparent hoop skirts, the number has a modern atmosphere and yet is an ideal opening built around flowing rhythm and easy grace. Using large meteorological balloons, the girls cover the entire ice surface with delicate patterns and thrilling formations as the Moonlight Vision progresses. It is skated to the music of "Waltzing with a Moonbeam," written especially for Ice Follies of 1941 by Stanley Cowan and Bobby Worth, youthful Hollywood song writers.

Featured as a specialty within the Moonlight Vision episode are Valerie and Jenna. Costumed as Romeo and Juliet, the two graceful girls glide smoothly between ever changing formations of the 24 Ice Folliettes as they do an expert double. Valerie Fink has been featured in previous editions of the "world's greatest musical revue on ice" while Jenna Schulte is a comparative newcomer, having joined the troupe a year ago.

Veteran Firemen To Attend Picnic

A good time is in store for the Veteran Firemen of Daly City Sunday, when they will be the guests of their brother organization, the Veteran Firemen's association of San Francisco at a gala picnic. The event will be held at Canada park, southwest of Redwood City.

All veteran firemen, active firemen, and their families are invited to attend.

The organization held its meeting at 188 Santa Barbara avenue at 8 p. m., Friday.

After the usual run of business Comrade H. W. A. Rickmann reported that Past President F. Hanson wished to be excused. Comrade Second Vice-President Kester reported that Comrade H. Sundermann jr. asked to be excused.

Comrades Koskinan, J. Hesslein, and Past President A. P. Chesney all reported on ill members. "Barney" Hilton was said to be improving; Comrade Bradberg, the same; Comrade Dalton, doing fine; E. J. Romer, doing fine. The group wished them an early recovery. The committee on Band Meeting is making progress.

Comrade Past President Julius Twesten was lucky and happy. All present told stories, which were enjoyed by all. Comrade Second Vice-President spoke of the drill team.

Comrade Chef Hesslein prepared a buffet which everyone found delicious.

Clever Comedy To Open Tomorrow At D.C. Theatre

High comedy at its brightest and best will be unreeled tomorrow at the gala premiere of Ernst Lubitsch's "That Uncertain Feeling" at the Daly City theatre. This new Lubitsch comedy, which co-stars Melvyn Douglas and Merele Oberon, is being presented by Sol Lesser, who made "Our Town."

Lubitsch, who is known wherever movies are seen as the master of a "touch," is again responsible for bringing to filmgoers everywhere a comedy which is ace-high as entertainment that is witty, light-hearted and unforgettably funny. Briefly described, "That Uncertain Feeling" plots its hilarious course around the rival-meets-husband - meets - wife theme. It tosses a psychoanalyist into the bosom of a happy family as played brilliantly by Merle Oberon and Melvyn Douglas.

Douglas and Miss Oberon discover that according to the rules of Freud they have no right to be blissfully happy. Burgess Meredith, featured in support of the stars, pops up as an eccentric and entirely uninhibited pianist with a yen for surrealist art and through him, Miss Oberon thinks she can work off the Freudian curse. The end of the story proves that fifty thousand psychoanalysts could be wrong. This, if the records are on the job, is the first time that comedy has obtained the loan-out of Freud from the heavy drama.

Carrying on in the brilliant and crackling tradition of "Ninotchka" and "The Shop Around the Corner," Lubitsch has produced "That Uncertain Feeling" in the fresh and sprightly fashion that keeps film fans rushing to movie theatres at record speed. The picture races off to a gay start when Miss Oberon decides to try psychoanalysis and falls first into the hands of "Dr." Alan Mowbray and then into the arms of "Musician" Burgess Meredith.

Companion feature on the new bill will be "The Cowboy and the Blonde," with George Montgomery and Mary Beth Hughes.

Senior Girl Scouts Hold Pot Luck Dinner

Four Senior Girl Scouts and their leader, Mrs. Lyal Ingersoll, 439 Crocker avenue, held a pot luck dinner last Tuesday evening. The dinner was held at Friendly Garden, 1083 Clay street. The garden and house were donated to the San Francisco Girl Scouts by Mr. Oppenheimer in 1939.

After the dinner the girls enjoyed the evening attending the Roller Derby. Mr. Ingersoll picked the girls up at the close of the evening's entertainment and brought them back to Daly City.

The girls enjoying the outing were: Misses Mary Lou Becker, Dorothy Kampa, Evelyn Currier and Nancy Sorg.

Yesterday afternoon the girls held a successful dessert whist at the home of their leader, Mrs. Ingersoll. The girls in charge of the afternoon were: Miss Anita Ryan, chairman; Mary Lou Becker and Dorothy Kampa.

A double committee has been appointed for tomorrow's whist. Josephine Crudo, Theresa Willie, Agnes Denning and Callista Davis are chairladies and other members of the organization will serve on their committee.

There will be a cash first prize, along with many other beautiful awards, stated the ladies. Price of score cards is nominal and the public is cordially invited to attend.

San Mateo County News In Review

Tax Revenue

State Controller Harry B. Riley this week apportioned $72,678.84 of gasoline tax revenue to San Mateo county as its share of the $13,414,447 record distribution for the quarter which ended June 30.

Riley gave the counties $4,471,482 on the basis of motor vehicle registration. This county's share was based on a vehicle registration of 48,439. The balance of $8,642,965 was deposited in the State Highway fund.

Money Still Comes In For U. S. O. Drive

Although the drive for funds for the United Service Organizations is officially terminated, money is still trickling into the office of Arthur J. Bodien, in charge of the local drive.

Several sources, according to Bodien, have made it known to him that they have in their possession further donations to the USO cause.

Until the final tabulation is made, announcement of the total funds collected in Daly City must be postponed.

However, Bodien estimates, the total will be over $300.

The USO drive had as its purpose the collection of sufficient funds to build and supply recreational facilities for the men in the vast, new million-man American army.

preciative of their help in making the program a success."

The high school and the Surplus Marketing administration have cooperated to bring the 5-cent noon lunch program to Daly City. The government agency supplies the staple foods, while the local school donates its cafeteria and provides supplementary foods such as meat, milk, and seasonings.

The staff of twelve have been preparing for the winter by canning, thus far, three hundred quarts of fruits and jam, according to Mrs. Nelson.

Children may have lunch for 5 cents from 11:30 a. m. to 1 p. m. every day except Saturday and Sunday. A typical menu is hamburger, cold slaw, hot chocolate, and dessert.

With the beginning of school the regular cafeteria will re-open, in which students at Jefferson Union high school may buy a complete lunch for from 12 to 16 cents.

County Fiesta

will be on display and in competition for the many cash and merchandise awards. Among the working hobbies there will be everything from streamlined electric trains to electric nutcrackers, and this year the division will be supplemented by the displays of handiwork and projects of the county's adult education classes. This will be the first participation by these latter groups.

The Fiesta, which began modestly as a flower show in 1928, has now become a pageant of beauty and entertainment, preparing a lavish welcome for tens of thousands of guests. It has grown so large that hundreds of artists and artisans are employed in its execution and production, and it has won distinction and renown for San Mateo county throughout the whole of America.

It will be open to the public at 7 p. m., Thursday, September 18, and each day thereafter at 9 a. m. The nominal admission prices will be the same as in previous years.

Emydian Institute Announces Whist Party

Members of Emydian Institute, Y. L. I., Colma, today announced plans for a whist party to be held, Tuesday evening.

Frances Flanagan is the chairlady in charge of the evening. There will be many lovely prizes and a door prize, according to the ladies.

"Proceeds from the card party will go toward building up the Institutes' treasury," stated the committee. Price of score cards is nominal and the public is invited to attend.

Mrs. Lenore Varni, of the local institute, was recently elected grand marshal at the Fortieth Grand Institute convention, Y. L. I., held in San Jose.

Nicholas Lettiere Home on Furlough

Nicholas Lettiere is home to Daly City this week from McChord field, Washington, where he is stationed in the quartermaster's corps of the United States air corps.

A son of Mrs. Mary Conti, 28 Knowles avenue, Lettiere was inducted into the service here 4 months ago. He is home on a 15-day furlough.

with the Luftwaffe," he said. "Although there is as yet no immediate danger of air attack on this area, the sooner the population is acquainted with what to do when attack comes the better.

"In the life-and-death struggle between nations every weapon may be used in the desperate drive for victory. Although gas has not yet been used in this war, there is no proof that it will not be."

Quirmbach is not of the opinion that Daly City will be a dangerous area in case of attack.

"Daly City has no airplane fields very near by, and it is not an industrial area," he said, "so it would not likely be a military objective, except perhaps because of the roads that run through it."

Quirmbach will represent Daly City on the newly-created county Defense Council, which will have representatives from each of the incorporated areas in San Mateo county, as well as members of the board of supervisors, and whomever else the supervisors see fit to appoint.

"Ladies Night"

lar nature to shame—or so it was said.

Another popular feature of the evening was the "Hobby Horse Race." Winner of this was none other than the mayor of Daly City —John J. Fahey.

Jack MacDonald, international councillor, and head of the Downtown Lions Club of San Francisco, was a guest, and spoke a few words to the group.

The meeting of the club today will be at Ric's Place, in Colma, at noon. "Ric" has procured a speaker for the occasion.

Advices from R. L. Crane jr., secretary of the club, indicate that four more boys will be sent by the Lions to Camp Shadowbrook, the WPA-sponsored summer camp for boys and girls. They will leave Monday, August 11.

Friday, twelve Lions polished up their bowling at Lincoln Bowl, in San Francisco. Six wives also attended the practice session.

Housing Authority

ters will not be approved for rental of these homes, Bygdnes added.

The Housing Authority is under the direction of a Board of Commissioners composed of five prominent county citizens: Ralph MacArthur, Daly City; Gaston Periat, San Mateo; Reverend Charles Ward, Redwood City; Ruth Bradley, San Mateo; and Perry Bygdnes, Burlingame.

Plans now completed will bring the renowned **MORMON TABERNACLE CHOIR** of Salt Lake City, consisting of 350 mixed voices, to Civic auditorium, August 21, in a unique choral recital as a San Francisco Opera association concert attraction, according to Business Manager Paul Posz.

The choir comes under the direction of J. Spencer Cornwall, noted conductor. The organization is recognized as one of the foremost singing groups in the nation. It is famous for its long continuous service in the "Mormon" church and its frequent concert tours, and is today the oldest continuously presented, community produced, nation-wide sustaining program in American radio. In San Francisco the choir will be heard with the magnificent 1915 Exposition organ in accompaniment. Tickets for the concerts are on sale at Sherman, Clay box office.

Direct from Hollywood, Lou Waters will bring his widely-known swing band of twelve pieces to Redwood City, Saturday, August 9, for the second in the series of **SUMMER DANCES** being sponsored civically as a benefit for the recreation fund in that community.

The first of the dances featuring "name bands," held last Saturday with Muzzy Marcellino's orchestra playing, was attended by six hundred persons despite threatening and cold weather, With nearly $200 cleared from the affair, the committee sponsoring the dances decided to continue to stage dances every other week at the large outdoor platform on Bayshore highway, used first during the Fourth of July celebration.

If you want to know how to nurse a baby seal, what to do if you find a dinosaur on your property, what the difference is between a plant and an animal, or practically anything else, just write a letter to the **CALIFORNIA ACADEMY OF SCIENCES**, Golden Gate park, San Francisco. This is what several thousands of people do each year, according to Dr. Robert C. Miller, director, who refers the numerous requests for information to the curator of the department most likely to know the answer in each case.

"We get everything from incoherent messages written by obviously demented persons to very specialized and technical questions of science, but most of the letters are from perfectly normal people who have questions, scientific or otherwise on their minds," Dr. Miller said. "In each case, we try to supply the answer." Aside from the public museums and aquarium, the academy maintains extensive research departments of Botany, Ornithology, Entomology, Fishes, Reptiles and Amphibians, Paleontology, with a staff of expert research scientists in each field.

Identifying specimens sent in is one of the public service features of the academy.

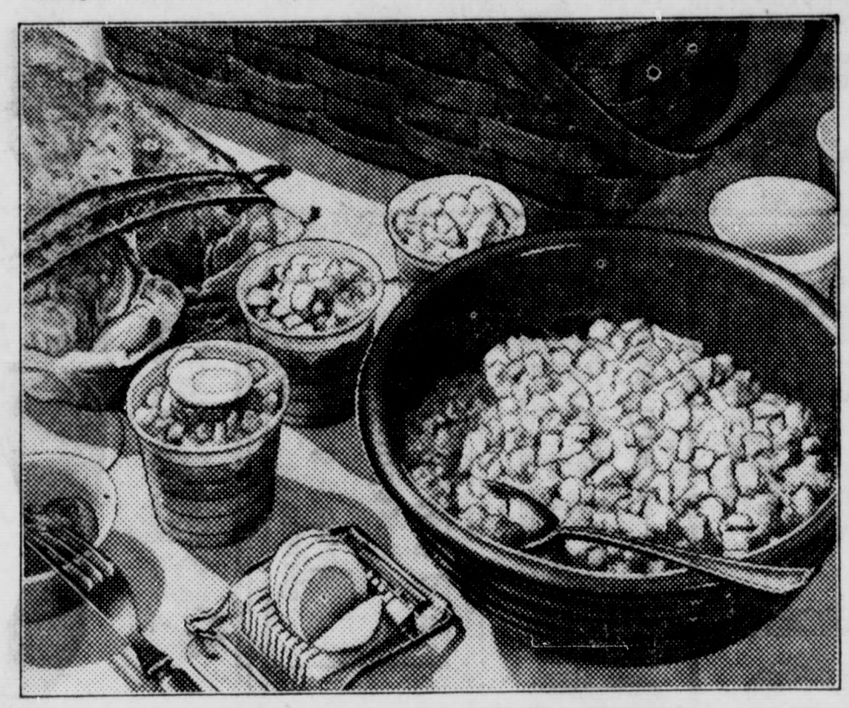
a SALAD to pack for a PICNIC

by Dorothy Greig

A PICNIC salad, according to my notions, should be easy to make, simple to pack and, most important of all, should still boast of fine zestful flavor when eaten several hours later.

Maybe that's a lot to ask of any picnic-going salad. But



there's really nothing to it if you are just careful about one or two little points.

One is—keep your salad mixture moist, and use ingredients of keen bright flavor. Then pack the salad to look tempting. Individual paper cups offer a way to do this.

A favorite picnic salad of mine is this ham and vegetable mixture. It is delicious, travels superbly and is hearty enough to appeal to fresh air-sharpened appetites:

Ham-Vegetable Picnic Salad

2 cups diced celery
2 cups diced ham
1 can condensed vegetable soup
6 tablespoons salad or mayonnaise dressing

Combine the diced celery, diced ham, vegetable soup and mayonnaise. Mix and chill thoroughly. Pack into paper cups and garnish with strips of pimiento or slices of hard-cooked eggs. Serves 5

James P. Reno, Daly City and **Jane Reeves,** Colma, were issued a marriage license in Reno, last week.

Horse Rider Guilty

It isn't always necessary to have 90 horsepower under the hood to drive in a reckless manner. A Boulder man had only a one horsepower vehicle under him when he drew such a charge. Riding a horse, he was accused of behaving so recklessly that two girls, walking in the road, were injured.
